

Fourth Judicial Circuit Problem-Solving Courts

Prohibited Drugs, Medications, and Substances

The list below provides an example of substances and medications that are prohibited in the Problem-Solving Courts within the Fourth Judicial Circuit. This is not a complete list. For further clarification of any drug and/or medication not listed please contact your case manager.

You are prohibited from using illegal drugs, alcohol (in any form), and many prescription medications. You must have over the counter and prescribed medications approved by your case manager prior to filling, purchasing, or ingesting.

All “designer stimulants/drugs” that can be purchased legally or illegally are strictly prohibited. Any and all “smoking mixtures” (other than products specifically designated to contain only tobacco- for adults only) are strictly prohibited. All products sold or marketed under false pretenses with the warning “not for human consumption” are strictly prohibited. Using and/or being in possession of any substance intended to replace an otherwise illegal/prohibited substance is strictly prohibited and may result in immediate expulsion from the program.

For medications, the brand name is in () if the generic name is also listed. Many over the counter medications are listed. For illicit drugs, examples of “street” names are included.
