

JUDICIAL FEEDBACK PROGRAM: Judge Guy encourages attorneys to participate in the Judicial Feedback Program by completing a Feedback Form, online at <http://www.floridabar.org/judicialfeedback>. Feedback forms and instructions can be downloaded by visiting www.floridabar.org (click on About the Bar, Standing Committees, JAEC). Feedback forms may also be available in the Judge's hearing room for your convenience. This is a confidential program of The Florida Bar to promote judicial self-improvement and enhance the quality of our judiciary as a whole. The identity of the attorney is not provided to the Judge. The Judicial Feedback Program provides Judges an opportunity to receive confidential feedback from the attorneys appearing before them. Attorneys are asked to evaluate the Judge's demeanor, knowledge, fairness, and other factors, but not to discuss issues of their specific cases. The comments are provided only to the Judge who is the subject of the review.
