A health emergency has been declared for our state and our nation. To protect the safety of lawyers, parties, witnesses, courthouse staff, and all other courthouse users, the following procedures have been implemented:

Effective immediately, Division FM-E (Judge Maureen T. Horkan) will no longer conduct in-person, ex parte hearings in the courthouse. Matters formerly heard at ex parte can be addressed, as appropriate, by: (a) consent orders emailed to the judicial assistant; (b) Zoom video conferences arranged by counsel and coordinated with the judicial assistant.

Please check the website (<http://www.jud4.org/Ex-Parte-Procedures-and-Dates.aspx>), frequently to confirm that changes have not been made to ex parte dates or call (904) 255-1297 for updates.
